Checking for a Response

How can you tell if a person is just sleeping or the victim of an accident? What can you do to get a response?

Look at the picture

Write a list of things that you think might have happened

Do you think it is likely or unlikely that the man is asleep?

Colour your answer | **likely** | **unlikely**

Explain your answer

What would you say and do to try to get a response?

I would say:	**I would do:**
