Preventing and Treating Burns

The best way to prevent getting burnt is to **stay safe.**
To stay safe, we need to **know the dangers**.
Even though we may be careful, **accidents can still happen**.
If they do, we need to know **how to deal with them**.

1. Unjumble the letters to find things that can cause burns.

(a) taeotwhr _____
(b) etehar _____
(c) vnoe _____
(d) rnio _____
(e) tmesa _____
(f) rosttae _____
(g) ekorco _____
(h) teelkt _____

How can we treat a burn? Add artwork below.

Cool	**and**	**Cover**
Hold affacted area under water for up to 20 minutes.		Use a clean, damp cloth.

2. How can we stay safe from the sun? Write a command for each picture.
